

Folsom Prison BM 8/11/24, Sun.

I feel the BM comin'
Comin' round the bend.
I ain't had one this large
since I don't when.

I feel the BM comin'
while on my cell phone
At least it's not as hard
– as hard as a bone.

The warning smell reeks
so much I cannot speak.
Silent and deadly is what I do
with my do do

I'm the man on the can in the can,
doin' what I can.
– Just doin' my duty.
